

Index To Descendants of Roger Terrill

Newsletters

Volume IV thru Volume VI 1992 - 1995

Index Prepared By
Don C. Terrill
Fairfax County, Virginia

1996

This index is divided into two parts: (1) All names, and (2) persons named Terrill (all spelling variants). In the "All names" the original text spellings are used. Not every name is included in this index -- parenthetical lineage lists, although helpful to the text, are an impediment when included in an index. Example:

Philander Lorenzo⁷ Tyrrel (Philander Laurel⁶, Ichabod⁵, Oliver⁴, Josiah³, John², Roger¹)

References to Roger Terrill, as the most extreme example, would be several times their present number with no benefit for the researcher. As a result, usually only the last two generations are indexed from a parenthetical list.

Because the same Christian names reappear so often in all recorded branches of the family, many have been sorted out by adding additional information at the index reference. Most (but not all) entries consists of three components. First is the surname, Christian names and title (if any). Second is a date (if any) associated with the name. Third is a place (if any) associated with the name. Note: There is not necessarily a connection between the date and the place; please consider them to be independent of each other. Examples:

TERRELL, Irijah |1824 d. Conn., v5p15-16

Irijah died in 1824 and his name is associated with Connecticut, but he did not necessarily die in Connecticut. (The *d.* is placed after the date to facilitate computerized sorting.)

TERRILL, Lucy Mrs. |1797 m. Conn., v4p26, v6p39

We don't know Lucy's surname, but she appears at the wife of Terrill, hence the *Mrs.* She was married in 1797, and her name is associated with Connecticut; but she was not necessarily married there.

TERRILL, Newcomb |1778-1843 Ohio, v6p19

Newcomb was born in 1778 and died in 1843. His name is associated with Ohio, but it is not necessarily his place of birth, death, or burial.

TERRILL, Nathaniel |1803..1858 Conn.-N.Y., v5p2

Nathaniel is mention in records dating from 1803 to 1858, but these are not necessarily the years of his birth or death. He is mentioned in Connecticut and New York, but there may also be other locations.
