Articles of Agreement between the owners of the Great Lots in Auquabogue in the second Division as far as from Ambrose Hortons East bounds to Daniel Edward's west bounds, do hereby firmly agree and promise to each other that they will abide by their bounds and lines which they have peaceably enjoyed for a number of years past, and as a number of us have some years ago measured the land from said East bounds, to a certain bound at the Rabbit Swamp so called, we all of us now agree to abide the bounds then made, in testimony to which agreement we now subscribe our names this 5th day of May, in the year 1787.
